

Share your knowledge, talents and skills

Do you have something you would like to teach to others?

Byron Community Education partners with local instructors to bring exciting classes to youth and adults in our community. It is a great way to meet new people and connect with community members. We do all of the back-end work so you can focus on your class or activity. We handle participant registrations, payments, design and distribution of marketing materials, and communication with students and parents.

We are currently accepting new class and activity proposals. In order to be included in the class catalog mailed to all Byron residents, proposals are due by:

- June 30 for Fall
 - October 31 for Winter/Spring
- Classes can be added mid-season, too!

**Download the New
Instructor Application**

Would you like to chat about your idea for a class or activity? Call or email us!
